

## VAUCLUSE ESTATE T A S M A N I A

### Your Event - Drinks Selection

Please select your drink package for your upcoming event.

You can choose between paying for beverages per-person on an hourly package basis, or on consumption. We finalise selection no later than a month prior to your event date.

We are passionate about supporting and providing local Tasmanian growers. We are incredibly fortunate to have some of the best wines in the country and we are proud to share these with you and your guests.

Due to our wine list having an emphasis on predominately local products, all beverages are subject to availability. Some Tasmanian varietals are quick to sell out close to their release date. Whilst we aim to avoid this, if an item is unavailable, we will substitute it with a similar wine, liaising with our suppliers and yourself to ensure that the selection is suitable.

If you would like additional beverages as part of your selection, please discuss this with Vaocluse Estate.

Prices listed are for 2024 only and are subject to change. Selections listed are subject to change throughout the year.
